

10 Ways to Help

1. Volunteer at an event

Visit
www.dreamsforkids.org/events
for the complete list!

2. Sponsor a Dream Leader

Just \$50 transforms one child's identity from "I can't" to "I CAN!"

3. Organize a Toy Drive for Holiday for Hope

Host a toy drive at your local school, community center or religious center and bring hope to homeless children all over the world. Email shellyg@dreamsforkids.org to reserve your collection box for November.

4. Spread the Word

Become our fan on facebook, follow us on Twitter, and invite all your friends to do the same! Include us in your next blog. Write an article about DFK for your school, community or religious group, or local publication.

7. Organize a Fundraiser

Plan anything from a party with your friends to a block party to a bake sale and donate the proceeds. Are you a student? Ask to see our fundraising ideas!

6. Get Kids Involved

We are always looking for new teenagers to participate in Dream Leaders or kids with disabilities to participate in Extreme Recess. Let us know about someone who may be interested.

5. Celebrate for DFK

Honor a friend, loved one or a special occasion with a gift to Dreams for Kids. We will provide a special certificate in their honor. Or ask for donations to DFK for your birthday, bar/bat mitvah, wedding, or anniversary.

8. Volunteer in the Office

Do you have some extra time each week and great organizational skills that you would like to contribute to DFK?

9. Facilitate a Dream Leaders Conference

Are you a college student who loves working with teenagers? Help build the next generation of young leaders through our Dream Leaders program.

10. Leave Your Legacy

Include Dreams for Kids in your estate plan.

Email

ShellyG@dreamsforkids.org and tell her how you want to get involved today!

Thank you for your support!
